17th March 1916

3 Mysore Durbar Sahib

The military authorities are anxious for a very early decision regarding the use of extra land in connection with the camp at Hebbal.

I have not actually seen the papers; but an official letter was addressed to you on the 15th instant by Mr Warburton. I understand that the request merely is that, as a temporary arrangement while the extra troops are here, a small additional area of land should be at the disposal of the military authorities. I am told that the land asked for is in itself practically valueless. The urgency as to getting the use of it is connected with the sanitary arrangements for thr troops in camp.

May I ask you kindly to direct that the case should be treated urgently.

Yours very sincerely

A Daly

Sir,

In Obedience to your Order No 1453 Dated 14th Instant, I beg to state that I inspected the plot of land near Hebbal Rifle Range, which the military authorities want for the extension of their Camp, as a temporary measure. The Engineer attached to the Corps was present and showed me the land required. At present, Camp has been pitched in the land belonging to the military authorities, and to the north of it, it is proposed to extend the Camp by 300 yards from north to South. The proposed extension will be in Survey No 2 of Waterworks Village measuring

[illegible] 7 30 Acres, which is a purely
[illegible] land. Towards the North West
[illegible] in the middle, a very in-
significant area of occupied land

the measurement but the military Au-
